Report of Reviewed Financial Statements

For the three-month and six-month periods ended June 30, 2024

บริษัท สำนักงาน เอ เอ็ม ซี จำกัด
SAM NAK-NGAN A.M.C. Co., Ltd.

INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To the Board of Directors of Hydrotek Public Company Limited

I have reviewed the accompanying consolidated and separate statements of financial positions as at June 30, 2024 and the related consolidated and separate statements of comprehensive income for the three-month and six-month periods ended June 30, 2024, changes in shareholders' equity and cash flows for the six-month period then ended and the condensed notes to financial statements of Hydrotek Public Company Limited and its subsidiary companies and also of Hydrotek Public Company Limited. The management of the entity is responsible for the preparation and presentation of this interim financial information in accordance with Accounting Standard No. 34 Interim Financial Reporting. My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of review

I conducted my reviews in accordance with Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with auditing standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Basis for disclaimer for conclusion to interim financial information

1. According to the Note to financial statements No.18, as at June 30, 2024, intangible assets in the amount of Baht 108.60 million are the rights under 2 concession agreements to construction of a water production plant and water distribution. Currently, the construction and development of the said project hasn't been according to the plan due to a dispute between the Group with the company that has provided financial support for the project which the Group and the counterparties entered into the Engineering, Procurement and Construction contract (EPC Contract), the Investment Agreement and the Settlement Agreement. The Company and contract parties have file lawsuits against each other. On March 20, 2024, the Civil Court has issued a judgment ordering the Company to repayment the debt to the contract parties with interest rate 7.50% per annum. However, the Company is in the process of appeal to the Appeal Court as mentioned in Note to the financial statements No.28.5, there is a significant uncertainty regarding how the concession project will be resolved and has there been an impact causing the said assets whether to become impaired. I cannot use other audit procedure to be satisfactory with this matter. Therefore, I was unable to determine whether there may be any adjustments were necessary to the intangible assets in the consolidated financial statement and separate financial statements for the six-month period ended June 30, 2024.

Clariss

2. According to the Note to financial statements No. 3 the Group and the Company faces losses from continued operation over several years. The Group and the Company incurred a net loss for the six-month period ended June 30, 2024 in the consolidated financial statements amount of Baht 24.22 million and in the separate financial statements amount of Baht 27.39 million and as at June 30, 2024, the Group and the Company had current liabilities exceeded current assets by amount of Baht 102.83 million and amount of Baht 93.00 million. The Company also has litigation related to the appeal application to the Supreme Administrative Court as mentioned in the Note to financial statements No. 28.1 These factor along with a lawsuits with the Company filed against counterparties related to the concession project as mentioned in the previous paragraph are indicate significant uncertainties which may has potential interaction of the uncertainties and their possible cumulative effect on the financial statements which cast significant doubt to the Group's and the Company's ability to continue as a going concern which may affect the valuation of significant assets and liabilities in the consolidated and separate financial statements.

Disclaimer of conclusion on the interim financial information

Because the matters described in the basis for disclaimer of conclusion on the interim financial information have significance to the consolidated interim financial information of Hydrotek Public Company Limited and its subsidiaries and the separate interim financial information of Hydrotek Public Company Limited as at June 30, 2024 and for the three-month and six-month periods then ended, I do not express a conclusion on the interim financial information.
